## LITTLE MAN & SLEEPY EYES

It's all right . It's OK.  
Nothing much to do today.  
Lounge around beachfront cafes  
and watch the world go by  
with Little Man and Sleepy Eyes.  
It's all right.. The sky is blue.  
Sandy beach an ivory hue.  
Ocean, sea breeze  
Seagulls too  
watch the world go by  
with Little Man and Sleepy Eyes

What a way to pass the time  
sitting here and feeling fine.  
Watch the beach folk on parade  
from our table in the shade.

Rollerbladers rolling by  
bikini girls and surfer guys  
muscle men and thunder thighs  
watch the world go by  
with Little Man and Sleepy Eyes
