## TALKING TO THE WALL

We've been together  
and we've been through so much.  
Started with nothing,  
but our love and our trust.  
Built a good life hand in hand through it all,  
but tonight I don't know you at all.  
Feel like I'm talking to the  
Feel like I'm talking  
Feel like I'm talking to the wall.

There's nothing I would not do just for you.  
You've given me so much. I know that is true.  
Without you I'd not be standing so tall,  
but tonight I don't know you at all.  
Feel like I'm talking to the  
Feel like I'm talking  
Feel like I'm talking to the wall.

I think of the good times  
and the life we have shared.  
I feel so lucky just to have been there  
with you smiling  
and keeping the whole thing moving on.  
I don't care who is right, who is wrong.  
I've just got to get through  
to the woman I love.

I hope that this is just another  
bump in the road,  
But from where I am standing,  
I just don't know.  
I look at you and wonder where did I fall.  
Tonight I don't know you at all.  
Feel like I'm talking to the  
Feel like I'm talking  
Feel like I'm talking to the wall.
